CHAIRMAN'S SPEECH

Dear Shareholders,

It brings me immense pleasure to put forth the Annual Report of your Company, Ultra Wiring Connectivity System Limited, for the financial year 2019-20. The end of this year was marked by the enormously challenging COVID-19 pandemic, which has fundamentally altered the world and continues to do so. It is difficult to over state our gratitude for workers and many staff members of your Company. Amidst lockdowns, we are moving resolutely to urgently address these challenges. We are Confident that the progress we made during FY 2019-20 put us on the right path to Improve the execution of our strategy and drive sustainable profitable growth over the long term.

We are proud of the consistent excellence achieved by Your Company in FY20. When compared with FY19, it is clear Company is staying true to its values. Our Fuse business has quickly emerged as a silver flagship and was an Immediate Success that redefined the highly fragmented Indian auto market.

Although the world is facing tough times ahead, your Company is well-poised to rise to the occasion. We recognise the benefit of fostering and maintaining strong relations with our stakeholders through transparent and effective communication and we strive to sustain the established credibility and relationship with them. FY20 is a testament of the brilliant work of your Company's team members, and their never-ending dedication to providing the best products, retaining the trust of customers, and looking forward to the future with optimism and innovation. As we move forward into our next year,

May you and your Family stay safe and healthy!

With Warm Regards

Sanjay Mathur
Managing Director & Chairman

Management Discussion and Analysis Report

SPECIAL NOTE ON CORONAVIRUS PANDEMIC

By mid of March 2020, the outbreak of Coronavirus (COVID-19) pandemic has been rapidly spreading throughout the world, including India causing significant disturbance and slowdown of economic activity. The Company has made committed efforts to support its business stakeholders, employees and service providers. The effect of Covid-19 on the Company is insignificant. The company's manufacturing facilities were shut down from 23rd March, 2020 for 22 days. Looking at current situation the company does not predict any significant effect of Covid-19 on profitability. The Company is continuously monitoring the situation and taking necessary actions in response to the developments, to minimize the impact on the business of the Company.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian Automobile Industry has reached a very high levels of maturity in all segments – Whether heavy commercial vehicles or light commercial vehicles, buses, cars, 2 and 3-wheelers. Yet it is Obvious that It Is among the highest taxed automobile sector in the world. The cost of acquisition of vehicles for customers and capex for vehicle manufacturers is impacted by the very high cost of Interest on account of the prevailing very high Interest rates, by both Banks and NBFCs. Both these factors have an impact of limiting the market and of harming global competitiveness.

During the last quarter of the last financial year and In the first quarter of the current financial year, the Indian automobile industry, in all the segments, has shown significant and steady decline, in volumes and In profitability.

The twin impact of a very major slow-down, most severe in the last decade, and the emerging heavy investment requirement and compliance burdens arising from the new emission and safety regulations, though most desirable, obviously are bound to Impact the cost of acquisition of all categories of vehicles in India. The question is whether this will further adversely impact the market situation.

Neither can the country go back on the Improvements In the emission and safety requirements, nor can the very high taxation and therefore high acquisition cost can be sustained by the Industry into the next decade. A sea change in the approach by the Government, in optimising and reducing its claims of a share of the value addition by the Automobile Industry, is inevitable

With the Introduction of BS-VI emission standards, slated for April 2020, the offerings of BS-VI capable inner-city transportation vehicles will significantly affect the cost of vehicles. As the technology impact on cost of small vehicles will proportionately be higher than Its impact on the cost of larger vehicles, the Company Is cognizant of this aspect.

PERFORMANCE OF THE COMPMY

During the period under review, the revenue from operations of the Company is 1845.75 lacs as against 1987.81 lacs in the previous year, a decline of 7.14 %. Profit before tax of the Company is 120.58 lacs as against 147.75 lacs in the previous year a decline of 18.38 %. The Company's policy of product innovation and the range of new products already introduced would yield sustainable profitability in the long run.

OUTLOOK

Outlook on the business of the Company Is covered In the Board's Report.

OPPORTUNITIES, THREATS AND RISK FACTORS

The coronavirus outbreak has heavily impacted the manufacturing industry. OEMs and parts suppliers have yet to return to full production capacity. Consequent delays in delivery might impact the market at multiple levels from postponed new car model launches, shattered supply chains, financially drained SMEs, and dampened vehicle sales in Q1, 2020.

India will be the world's fourth-largest passenger-vehicle market by 2021. It took India around seven years to increase its annual production to four million vehicles from three million. However, the next milestone five million is expected in less than five years. The automotive industry deploys a long supply chain. It has to source a large amount of materials varying from steel to non-ferrous metals, plastics, and electronics. The supply chain must be robust to ensure seamless production on a daily basis. Most of the vehicle makers have either own bases for the supply of materials or have suppliers based in China. These have been seriously affected by the corona virus crisis.

Due to the coronavirus crisis, automobile manufacturers the world over are faced with a sudden slump in demands. This coupled with environmental factors, technological upheavals, and complex regulatory frameworks are going to result in tough times for the industry. Is this a passing phase or will it have long-lasting repercussions? KPMG in its report 'Potential Impact of COVID-19 on Indian economy' estimates, in the event of a quick recovery scenario, Indian GDP growth to be in the range of 5.3 to 5.7 percent. The automotive industry, which moves in sync with the economy of India, has already been struggling with idle capacity, low demand, and high cost of production.

There is never a one pill solution for any business contingency at any point in time. Extremely unpredictable times like these brought about by coronavirus pandemic teaches the value of risk assessment and thereby preparing contingency plans for businesses. There would be opportunities once the time passes and companies who survive would emerge stronger. In the context of the Indian automobile industry, there are silver linings post coronavirus.

Personal use cars are expected to see an increase owing to infections, health and safety concerns with shared mobility. However, there are chances of equal opportunity for the shared mobility too due to the size and upcoming growth of the industry. Moreover, the replacement of shared mobility vehicles is 50 percent faster than personal use vehicles

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company's internal control procedures are adequate to ensure compliance with various policies, practices and statutes in keeping with the organization's pace of growth and Increasing complexity of operations.

The Company maintains system of multi level internal controls which provides reasonable assurance regarding Effectiveness and efficiency of operations, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

During the year, such controls were tested and no reportable material weaknesses in the design or operation were observed

HUMAN RESOURCE DEVELOPMENT

The Company believes that human resource is the most important assets of the organization. It is not shown in the corporate balance sheet, but influences appreciably the growth, progress, profits and the shareholders' values. During the year your company continued its efforts aimed at improving the HR policies and processes to enhance its performance. The vision and mission of the company is to create culture and value system and behavioural skills to insure achievement of its short and long term objectives.

CAUTIONARY STATEMENT:

Statement made in the Management Discussion and Analysis Report describing the company's objectives, projections, estimates, expectations may be "Forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand supply and price conditions in the markets in which the company operates changes in the government regulations, tax laws & other statutes and other incidental factors.

INDEPENDENT AUDITOR’S REPORT

To the members of,
ULTRA WIRING CONNECTIVITY SYSTEM LIMITED

Report on the audit of Financial Statements

Opinion

We have audited the accompanying financial statements of ULTRA WIRING CONNECTIVITY SYSTEM LIMITED (“the Company”), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the ‘Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (‘ICAI’) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the accompanying financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
Nil	Not Applicable

Other Information

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the

financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

1. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
2. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
3. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) the financial statements dealt with by this report are in agreement with the books of account;
- d) in our opinion, the aforesaid financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act;
- f) we have also audited the internal financial controls over financial reporting of the Company as on 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report as per Annexure B expressed an unmodified opinion;
- g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company does not have any pending litigations which would impact its financial position;

- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. there were no amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2020;

The Company has complied with the provisions of Section 186 of the Act in respect of investments made or loans or guarantee or security provided to the parties covered under Section 186.
- (v) According to information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder.
- (vi) In our opinion, the company is not required to maintain the cost records u/s 148(1) of the Companies Act for any of its products as the company has not crossed the threshold limits specified in the section.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, goods and services tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no material dues of Provident Fund, ESI, Excise Duty, GST, Sales Tax, VAT, Service Tax which have not been deposited with the appropriate authorities on account of any dispute. However, according to information and explanations given to us, the following dues of income tax have not been deposited by the Company on account of disputes:

Name of the statute	Nature of dues	Amount (in Rs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	6,82,330.00	AY 2006-07	ITAT – New Delhi
Income Tax Act, 1961	Income Tax	25,79,787.00	AY 2008-09	ITAT – New Delhi
Income Tax Act, 1961	Penalty	3,36,600.00	AY 2006-07	ITAT – New Delhi

Annexure B to the Independent Auditor's Report of even date to the members of Ultra Wiring Connectivity System Limited, on the financial statements for the year ended 31 March 2020

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

1. We have audited the internal financial controls with reference to financial statements of M/s Ultra Wiring Connectivity System Limited ("the Company") as of 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year then ended. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

2. The Company's management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with

generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTE

1 CORPORATE INFORMATION

Ultra Wiring Connectivity System Limited is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The company is engaged in the manufacturing & selling of connectors, cable tie clips and allied components. The company caters to domestic market mainly with few exports.

2 SIGNIFICANT ACCOUNTING POLICIES

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS (AS-1)

These financial statements have been prepared to comply with Accounting Principles Generally accepted in India (Indian GAAP), the Accounting Standards referred to in Section 133 of the Companies Act, 2013 read with rule 7 of Company (Accounts) Rules, 2014 to the extent applicable.

The financial statements are prepared on accrual basis under the historical cost convention. Accounting Policies have been consistently applied by the company and are consistent with those used in the previous year. The financial statements are presented in Indian rupees.

2 USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

3 REVENUE RECOGNITION (AS-9)

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales exclude Goods and Service Tax.

4 PROPERTY, PLANT AND EQUIPMENT (AS-10)

Tangible Fixed assets (Except Land) are stated at cost of acquisition less accumulated depreciation and any accumulated impairment losses. Cost comprises of the purchase price, net changes on foreign exchange contracts, adjustments arising from exchange rate variations attributable and attributable cost of bringing the asset to working condition for its intended use.

5 ACCOUNTING FOR GOVERNMENT GRANTS

Government grants are recognised when there is a reasonable assurance as to its receipt and that the conditions attached thereto shall be complied with. Government grants related to capital investments are reduced from the gross value of fixed assets and such grants relating to expenses are reduced from the related expense head.

6 DEPRECIATION

Depreciation on fixed assets is provided to the extent of depreciable amount on the Straightline Method (SLM) on the basis of useful life of the fixed assets. The company has adopted useful life of the Fixed Assets as prescribed in Schedule II of the Companies Act, 2013.

7 INVENTORIES VALUATION (AS-2)

Cost of inventory comprise cost of purchase and includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges.

Raw Material is valued at cost or Net Realizable Value whichever is less. The cost is determined mostly on FIFO basis.

WIP valued at cost of production, depending upon its level of completion.

Finished Goods valued at Cost of Production or Net Realizable Value whichever is less.

8 EMPLOYEE BENEFITS(AS-15)

Retirement benefits in the form of Provident Fund, which are defined contribution plans, are accounted for on accrual basis and charged to the Statement of Profit & Loss of the year.

The benefit in the form of Leave Encashment is a non accumulating short term compensated absences. It is accounted in the year when absences occur and charged to Statement of Profit & Loss of the year.

Retirement benefits in the form of Gratuity is accounted for in the accounts on the basis of estimate by the management and not on actuarial valuation.

9 BORROWING COSTS (AS-16)

Borrowing costs that are attributable to the acquisition of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

10 ACCOUNTING FOR TAXES ON INCOME (AS-22)

Company has followed accounting standard AS 22 for determination of tax expense in the accounts. Tax provision for current tax is made for income tax, based on the tax liability computed, after considering tax allowances and exemptions.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

11 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS (AS-29)

The company recognizes as Provision, the liabilities being present obligation arising out of past events, the settlement of which is expected to result in an outflow of resources and which can be measured only by using a substantial degree of estimation.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed.

13 CASH AND CASH EQUIVALENTS

For the purpose of Cash Flow Statement, cash and cash equivalents include cash in hand and demand deposits with banks.

14 EARNINGS PER SHARE (AS-20)

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where results would be anti-dilutive.

15 FOREIGN CURRENCY TRANSACTIONS (AS-11)

- i) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.
- ii) Monetary items denominated in foreign currency at the end of year are reported using the closing rate.
- iii) Non monetary foreign currency items are carried at cost using the exchange rate at the date of transaction.
- iv) Any Gain or Loss on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit & Loss except in case they relate to acquisition of fixed assets, they are adjusted to the carrying cost of such assets.

16 SEGMENT (AS-17)

The company operates in a single segment, no segment reporting is required by the company as of now.
