## CHAIRMAN'S WORD

**Dear shareholders,**

I am elated to appear in front of you as the Managing Director of your Company and present to you the 18<sup>th</sup> Annual Report for the financial year 2022-23. I am obliged to you for your continued faith and confidence in your Company's abilities in its continuous journey of growth. I am filled with gratitude and a sense of accomplishment.

In the last financial year, India has arisen as the most robust and one of the fastest growing economies in the world despite significant challenges in the International environment – including continuing disruptions of supply chain following the rise in geopolitical tensions, the synchronized tightening of global monetary policies and inflationary pressures. India's economy bounced back after the pandemic in FY 2021-22 with the GDP growing of 7.2% in FY 2022-23. The Government of India continues to strengthen key sectors of the Indian economy with capex and policy initiatives to drive long-term sustainable growth. The fundamentals of the Indian economy remain strong.

### **Company Performance Review**

Our wiper business continued to witness high demand from the auto Industry backed by some of their investment proposals. We focus on delivering the highest quality of services to our clients drove us towards New Product Development, which consequently helped us in widening our product portfolio. UVS unmatched technological know-how and R&D capabilities played a pivotal role in such developments.

We hold the top-most position in the customized and complex blades and fuse manufacturing segment for the auto sector, which is a matter of great pride for us and stands testimony to our technological capabilities and manufacturing excellence.

Let me now move on your company's performance in financial year 2022-23. It has been a spectacular year of all round performances and achievements. We have achieved record sales and profits once again and we have made significant progress on several initiatives and projects including but not limited to wiper blades and fuse that we had set out to accomplish this year. Your company has performed commendably.

Allow me to outline the key results:

- Total turnover increased by 50.49% to Rs. 4443.89 Lacs.
- Profit before Tax (PBT) grew by 53.827% to Rs. 302.21 Lacs.

Currently, we at "UWS", have Three manufacturing locations equipped with latest technology to minimize energy consumption. We also plan to further increase the capacity in the coming years. Moreover, we are being cautious about our energy consumption and are relentlessly adopting energy-saving measures like efficient fixtures and equipment, minimum water discharge through recycling and much more for the healthy environment.

We are enough confident that with the sustained hard work of our dedicated employees, who have actively partnered us in our progressive journey and your continuous support, we will be succeeded in achieving our goal of enhancing growth and profitability on all fronts. Through relentless effort, "UWS" has been creating new benchmarks and this would have not been possible without your support. I express my gratitude to our bankers SIDBI and HDFC Bank for standing with us in thick and thin.

# ULTRA

I would like to extend my sincere gratitude to all those who contributed to our success. Together, we hope to achieve an even brighter future not only in the domestic market, but also in the overseas market.

With Best Regards

Sd/-  
Sanjay Mathur

# **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **GLOBAL ECONOMIC REVIEW**

In the last few years, the world has faced waves of challenges, from the pandemic to the invasion of Ukraine, to the unfolding bank liquidity challenges amidst skittish depositors. The Corona-Delta variant for example poses a challenge to economic recovery by prolonging the pandemic, increasing the need for restrictions and changing consumer attitude.

How we get back to sustainable, long-term growth is the biggest question facing board rooms and political chambers around the world right now. Some of the biggest inflationary fears - widely predicted late last year - have been diluted by more direct, pro-active political action geared especially towards getting rising energy prices down. There are also signs that other commodities and food prices are finally starting to ease – aiding consumers and business owners who've been facing a significant financial squeeze.

The actions taken over the coming months are likely to play a significant role in the pace and nature of the world's economic retrieval. Employment levels should remain robust, even given recent tech layoff announcements– a sign that the rigidity of the labor market faced post-pandemic shows no sign of easing. It's an indication of the complexities the world faces today. Strong employment figures are often held up as an example of flexible market conditions, but they can also reflect the challenges Central Banks are facing as they attempt to juggle wage expectations, tightened credit conditions and the ever-present danger that any shift in the conflict in Ukraine could bring inflation back into the mix. The upside of a strong labor market, combined with relatively strong personal savings among consumers – especially in Europe and the Americas – means we could start to see a return to robust consumer spending, driving a return to slow-but-steady domestic growth in key markets.

### **INDUSTRY STRUCTURE AND DEVELOPMENTS**

India's automotive industry is poised to become the world's third-largest market by 2030, showcasing its dominance in the international heavy vehicles arena. As the industry contributes significantly to India's GDP and manufacturing sector, the nation is also emerging as a leader in electric vehicle (EV) adoption.

India has cemented its place as the largest tractor manufacturer, the second-largest bus manufacturer, and the third-largest heavy truck manufacturer in the world. Currently, the automobile industry contributes 7.1% of India's GDP and accounts for 49% of its manufacturing GDP.

Electric Vehicle (EV) market is expected to grow at a CAGR of 49% between 2022-2030, with

annual sales reaching 10 million units by 2030. The booming EV industry is projected to create 50 million direct and indirect jobs by 2030. A market size of \$50 billion has been identified for EV financing in 2030, equivalent to 80% of the current size of India's retail vehicle finance industry, worth \$60 billion today.

Passenger vehicle sales reached their highest-ever level at 2,504,084 units in FY 2022-23 as of November 2022. The industry is expected to post a growth of 16% in FY23. India's trucking market is predicted to grow more than four-fold by 2050, with the number of trucks increasing from 4 million in 2022 to approximately 17 million by 2050.

A noticeable shift in customer preferences is evident as they gravitate towards larger and more powerful vehicles across all segments. In FY22, utility vehicles (UVs) among passenger vehicles (PVs) accounted for 49% of sales, up from 39% in FY21. Medium & heavy commercial vehicles (M&HCVs) among commercial vehicles (CVs) also increased, making up 33% of sales in FY22 compared to 28% in FY21.

India's \$222 billion automotive industry is anticipated to reach \$300 billion by 2026. Two-wheelers and passenger cars dominate the market, accounting for 76% and 17.4% of the market share, respectively. Small and mid-sized cars lead passenger car sales.

Exports of automobiles increased from 4,134,047 in 2020-21 to 5,617,246 in 2021-22, registering a positive growth of 35.9%. India aims to double its auto industry size to INR 15 lakh crore by the end of 2024. From April 2021 to March 2022, exports of passenger vehicles, commercial vehicles, three-wheelers, and two-wheelers all experienced positive growth compared to the same period last year.

The Indian government has demonstrated its commitment to the industry's growth by increasing the budget allocation of the Faster Adoption and Manufacturing of Hybrid and Electric Vehicles (FAME) II by 78% in the Union Budget 2023. All in all, India's automotive industry is set for an upward trajectory, with strong growth potential in production, sales, and exports. As the nation transitions towards electric vehicles, the industry's economic impact will further expand, solidifying India's position as a global automotive powerhouse.

The ongoing shift in consumer preferences, increasing exports, and government support are key drivers in shaping the future of the industry. As the automotive market continues to evolve, India's strategic focus on innovation, infrastructure development, and sustainable practices will not only boost its economic growth but also position the country as a leading player in the international automotive arena by 2030 and beyond.

#### **PERFORMANCE OF THE COMPANY**

The Company operates in the auto components industry and is engaged in production and

## **OUTLOOK**

India's automotive industry is poised to become the world's third-largest market by 2030, showcasing its dominance in the international heavy vehicles arena. As the industry contributes significantly to India's GDP and manufacturing sector, the nation is also emerging as a leader in electric vehicle (EV) adoption.

The automotive industry in India is set to expand at a compound annual growth rate (CAGR) of

11.3% till 2027. This growth will most likely occur due to factors like rising disposable income, wide availability of credit and financing options, and growth of population. Furthermore, with the growth of the passenger transport sector and the rise in demand for commercial vehicles, the potential for future growth of India's automotive sector is pretty high.

Apart from this, industry-friendly policies and initiatives by the Indian Government will also play a major role in fueling this development in the years to come.

### **OPPORTUNITIES, THREATS AND RISK FACTORS**

The automobile industry is a highly growing industry, continuously contributing to growth and development. Automobiles give people the opportunity to live, work and travel in ways that were unimaginable a few decades ago. The ease and quality of life improvements the automotive industry brings will only increase the demand for vehicles in the future.

With the advent of E-vehicles & alternative fuel such as Shell gas, CNG, and others, automobile companies are increasing R&D expenditure to drive the next phase of growth through the use of renewable sources of energy which may be solar, wind, etc.

To monitor cost and to manage shrinking margins, automobile companies like Harley, Volvo, Bharat Benz, etc. are building their manufacturing facilities in developing nations like India and China. These nations have a cheap workforce, are high in resources, and are nearer to developed economies. These are ideal conditions for an emerging market.

Whereas over the last 3-4 decades the automobile market has shifted from a demand to a supply market. Availability of a considerable number of variants, stiff competition between them, and a long list of alternatives to choose from has given power to customers to decide whatever they like.

Regulations like excise duty, no entry of outside vehicles in the state, decreasing number of the validity of registration period, and volatility in the fuel prices pose considerable challenges to automobile companies. These factors also affect the growth of the industry.

The employee turnover in the automobile industry is found to be higher when compared to several other sectors. Furthermore, attracting and retaining employees in the automotive industry can be very challenging, especially in the case where competitors are doing what they can to lure the best talent.

But optimization of fuel-driven combustion engines and cost efficiency programs are excellent opportunities for the automobile market. Emerging markets will be the primary growth drivers for a long time to come, and hence fuel-efficient cars are the need of the hour.

The increased availability of data and information, shift in consumer demand, and expanded regulatory requirements for safety and fuel economy will fuel the growth of this industry.

Entering new markets like Asian & BRIC nations will skyrocket the demand for vehicles. Furthermore, other markets are also likely to emerge soon.

The presence of a large number of players in the automobile industry results in intense competition and companies eating into other's share, leaving little scope for new players.

Macroeconomic uncertainty, recession, unemployment, etc. are the economic factors which will daunt the automobile industry for an extended period.

For the consumer segment, fluctuations in fuel prices remains the determining factor for growth. Also, government regulations pertaining to the use of alternative fuels like CNG and Shell gas is also affecting the inventories.

## **INDEPENDENT AUDITOR'S REPORT**

To the members of,  
ULTRA WIRING CONNECTIVITY SYSTEM LIMITED

### **Report on the audit of Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of ULTRA WIRING CONNECTIVITY SYSTEM LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its profit and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the accompanying financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the key audit matter
Nil	Not Applicable

#### **Other Information**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's

Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of management and those charged with governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

1. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
2. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
3. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or

regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Further to our comments in Annexure B, as required by Section 143(3) of the Act, we report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) the financial statements dealt with by this report are in agreement with the books of account;
- d) in our opinion, the aforesaid financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act;
- f) we have also audited the internal financial controls over financial reporting of the Company as on 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report as per Annexure A expressed an unmodified opinion;
- g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 28 to the financial statements.
  - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. there were no amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2023;
- iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries and
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The company has not declared and paid any dividend during the year in contravention of the provisions of Section 123 of the Companies Act 2013.
- h) The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

## **Annexure A to the Independent Auditor's Report**

**Referred to in paragraph 15(f) of the Independent Auditor's Report of even date to the members of Ultra Wiring Connectivity System Limited, on the financial statements for the year ended 31 March 2023**

**Independent Auditor's Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

1. We have audited the internal financial controls with reference to financial statements of M/s Ultra Wiring Connectivity System Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

2. The Company's management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal financial controls with reference to financial statements and their operating effectiveness. Our audit of Internal financial controls with reference to financial statements included obtaining an understanding of Internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal financial controls with reference to financial statements.

6. **Meaning of Internal Financial Controls over Financial Reporting**

A Company's Internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's Internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

7. **Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

8. **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## **Annexure B to the Independent Auditor's Report**

**Referred to in paragraph 14 of the Independent Auditor's Report of even date to the members of Ultra Wiring Connectivity System Limited, on the financial statements for the year ended 31 March 2023**

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (b) The Company has a regular program of physical verification of its fixed assets by which fixed assets are verified every year. In accordance with this program, the fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to the information and explanations given to us, the title deeds of immovable properties, as disclosed in Note 13 to the financial statements, are held in the name of the company.
- (d) The Company has not revalued its Property, Plant and Equipment during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made there under, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- (ii) (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. There was no inventory lying with third parties as at year end. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During the year, the Company was not sanctioned working capital limits in excess of Rs. 5 crore, in aggregate, from banks on the basis of security of current assets and therefore the question of our commenting on whether the Company has filed quarterly returns or statements with such banks, which are in agreement with the unaudited books of account does not arise.

- (iii) The Company has not made investments in any company during the year. The Company has not granted secured / unsecured loans/advances in nature of loans, stood guarantor, or provided security to any parties. Therefore, the reporting under clauses (iii)(a), (iii)(b), (iii)(c), (iii) (d), (iii)(e) and (iii) (f) of the Order are not applicable to the Company.
- (iv) The Company has not granted any loans, or provided any guarantees or security to the parties covered under Section 185 of the Act. Further, in our opinion, and according to the information and explanations given to us, the Company has not made any investments during the year and thus, question of complying with the provisions of Section 186 of the Companies Act, 2013 in respect of the investments made by it does not arise and the Company has not provided any loans, guarantees or security to the parties covered under Section 186 of the Act.

The Company has not accepted any deposits or amounts, which are deemed deposits within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.

- (v) In our opinion, the company is not required to maintain the cost records u/s 148(1) of the Companies Act for any of its products as the company is classified under “Small” category as per Section 9(7) of the MSMED Act, 2006.
- (vi) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, employees’ state insurance, income tax, duty of customs and other material statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues of provident fund, employees’ state insurance, GST, excise and VAT , which have not been deposited on account of any dispute. The particulars of other statutory dues referred to in subclause (a) as at March 31, 2023 which have not been deposited on account of a dispute, are as follows:

Name of the Statute	Nature of dues	Amount of demand without netting off amount paid under protest (Rs. in ‘000)	Amount paid under protest (Rs. in ‘000)	Period to which the demand relates (Financial Year)	Forum where dispute is pending
Income Tax Act, 1961	Assessed at wrong rate of tax by the assessing officer	1675.78	0.00	2017-18	CIT(A), Delhi

The above amounts contain interest and penalty where included in the order issued by the department to the Company.

- (viii) According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- (ix) (a) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Willful Defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion, and according to the information and explanations given to us, the term loans taken during the year have been applied for the purposes for which they were obtained. In respect of the term loans which were taken in the previous year, those were applied for the purpose for which the loans were obtained. (Also refer Note 5(k) to the standalone financial statements).
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on shortterm basis have been used for long-term purposes by the Company.
- (e) The company has no subsidiaries, therefore reporting under clauses (ix)e and (ix)f are not applicable to it.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, the Company has not received any whistle-blower complaints during the year. Accordingly, reporting under this clause is not required for the company.

(xii) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

(xiii) The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the standalone financial statements as required under Indian Accounting Standard 24, "Related Party Disclosures" specified under Section 133 of the Act.

(xiv) (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.

(b) The reports of the Internal Auditor for the period under audit have been considered by us.

(xv) The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

(xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi) (c) of the Order is not applicable to the Company.

- (d) Based on the information and explanations provided by the management of the Company, the Group does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly the reporting under Clause (xviii) is not applicable.

The company was originally registered as a private limited company. The company went on board in the month of September 2018 and is currently listed at the SME (Emerge) platform of National Stock Exchange of India. The company is engaged in the manufacturing & selling of wipers, connectors, cable tie clips and allied components. The company caters to domestic market mainly with few exports.

The company currently has three manufacturing facilities both of which are located in the Faridabad District of Haryana.

### 2 SIGNIFICANT ACCOUNTING POLICIES

#### 1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS (AS-1)

These financial statements have been prepared to comply with Accounting Principles Generally accepted in India (Indian GAAP), the Accounting Standards referred to in Section 133 of the Companies Act, 2013 read with rule 7 of Company (Accounts) Rules, 2014 to the extent applicable.

The financial statements are prepared on accrual basis under the historical cost convention. Accounting Policies have been consistently applied by the company and are consistent with those used in the previous year. The financial statements are presented in Indian rupees.

#### 2 USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

#### 3 REVENUE RECOGNITION (AS-9)

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales exclude Goods and Service Tax.

#### 4 PROPERTY, PLANT AND EQUIPMENT (AS-10)

Tangible Fixed assets (Except Land) are stated at cost of acquisition less accumulated depreciation and any accumulated impairment losses. Cost comprises of the purchase price, net changes on foreign exchange contracts, adjustments arising from exchange rate variations attributable and attributable cost of bringing the asset to working condition for its intended use.

## **5 ACCOUNTING FOR GOVERNMENT GRANTS**

Government grants are recognised when there is a reasonable assurance as to its receipt and that the conditions attached thereto shall be complied with. Government grants related to capital investments are reduced from the gross value of fixed assets and such grants relating to expenses are reduced from the related expense head.

## **6 DEPRECIATION**

Depreciation on fixed assets is provided to the extent of depreciable amount on the Straightline Method (SLM) on the basis of useful life of the fixed assets. The company has adopted useful life of the Fixed Assets as prescribed in Schedule II of the Companies Act, 2013.

## **7 INVENTORIES VALUATION (AS-2)**

Cost of inventory comprise cost of purchase and includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges.

Raw Material is valued at cost or Net Realizable Value whichever is less. The cost is determined mostly on FIFO basis.

WIP valued at cost of production, depending upon its level of completion.

Finished Goods valued at Cost of Production or Net Realizable Value whichever is less.

## **8 EMPLOYEE BENEFITS(AS-15)**

Retirement benefits in the form of Provident Fund, which are defined contribution plans, are accounted for on accrual basis and charged to the Statement of Profit & Loss of the year.

The benefit in the form of Leave Encashment is a non accumulating short term compensated absences. It is accounted in the year when absences occur and charged to Statement of Profit & Loss of the year.

Retirement benefits in the form of Gratuity is accounted for in the accounts on the basis of estimate by the management and not on actuarial valuation.

## **9 BORROWING COSTS (AS-16)**

Borrowing costs that are attributable to the acquisition of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

## **10 ACCOUNTING FOR TAXES ON INCOME (AS-22)**

Company has followed accounting standard AS 22 for determination of tax expense in the accounts. Tax provision for current tax is made for income tax, based on the tax liability computed, after considering tax allowances and exemptions.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or

substantively enacted by the Balance Sheet date.

#### **11 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS (AS-29)**

The company recognizes as Provision, the liabilities being present obligation arising out of past events, the settlement of which is expected to result in an outflow of resources and which can be measured only by using a substantial degree of estimation.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed.

#### **13 CASH AND CASH EQUIVALENTS**

For the purpose of Cash Flow Statement, cash and cash equivalents include cash in hand and demand deposits with banks.

#### **14 EARNINGS PER SHARE (AS-20)**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where results would be anti-dilutive.

#### **15 FOREIGN CURRENCY TRANSACTIONS (AS-11)**

- i. Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.
- ii. Monetary items denominated in foreign currency at the end of year are reported using the closing rate.
- iii. Non monetary foreign currency items are carried at cost using the exchange rate at the date of transaction.
- iv. Any Gain or Loss on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit & Loss except in case they relate to acquisition of fixed assets, they are adjusted to the carrying cost of such assets.

#### **16 SEGMENT (AS-17)**

The company operates in a single segment, no segment reporting is required by the company as of now.
