<u>PROCESS OF FAMILIARISATION PROGRAMME FOR INDEPENDENT DIRECTORS</u>

An important aspect of board effectiveness is the appropriate attention to development and training of Independent Directors on the lines of management development and training. The company sees director induction as a first step of the board's continuing improvement. It is the company's belief that investment in board development strengthens the board as well as the individual directors. Directors are regularly updated on changes in policies and programmes, laws and the general business environment.

The Company has established an orientation process/familiarization programme for its Independent Directors that includes:

- 1. Introduction, company history and genesis.
- 2. Briefing on their role, responsibilities, duties, and obligations as a member of the Board.
- 3. Nature of business and business model of the Company, Company's strategic and operating plans.
- 4. Board of directors and committees of the board, their operations, charter and functioning.
- 5. Matters relating to Corporate Governance, Code of Conduct, Risk Management, Compliance Programs etc.

As a process when a new independent director is appointed, a familiarization programme as described above is conducted by the senior management team and also whenever a new member is appointed to a Board Committee, information relevant to the functioning of the Committee and the role and responsibility of Committee members is informed. Each of our independent directors has attended such orientation process/familiarization programme when they were inducted into the Board.
